HEALTH CARE REFORM: Implications & Opportunities for Human Resources

Human Resource Professionals and Business Owners face opportunities and challenges in the practical implementation of Healthcare Reform provisions. We hope you will join us on March 30th for a panel discussion on topics such as:

- Timeline for implementing essential health benefits requirements, removing barriers to access care and preventative services like immunizations
- Putting provisions, such as reasonable break time for nursing mothers, into action
- Using health promotion and prevention initiatives to constrain growth in medical trend
- Designing targeted health promotion efforts such as breast health awareness, tobacco cessation initiatives, diabetes prevention, and cardiac health
- Legal considerations in incentivizing employees, plan design and documentation, and protected health information
- Resources and grant opportunities for employers to develop wellness programs

Panelists: Tom Cogan, Senior Vice President, The Meltzer Group, Terry Connerton, Attorney Baker and Hostetler, LLP, Gaurov Dayal, Chief Medical Officer of Adventist HealthCare and Medical Director of LifeWork Strategies
