

THE SINGLE BEST WAY TO PROTECT AGAINST THE FLU IS TO GET VACCINATED EACH YEAR

Stop the flu at your office door!

Encourage your employees to get vaccinated AND make it convenient for them to do so! A flu clinic at work helps to reduce employee absences & costs due to respiratory illness.

"I have been consistently happy with the nurses who are able to come. They are knowledgeable, kind, efficient and give the best shots in town!"

DON'T DELAY! RESERVE YOUR FALL FLU CLINIC DATE TODAY:
